

A QUICK INFORMATION GUIDE

Zello Tutorial

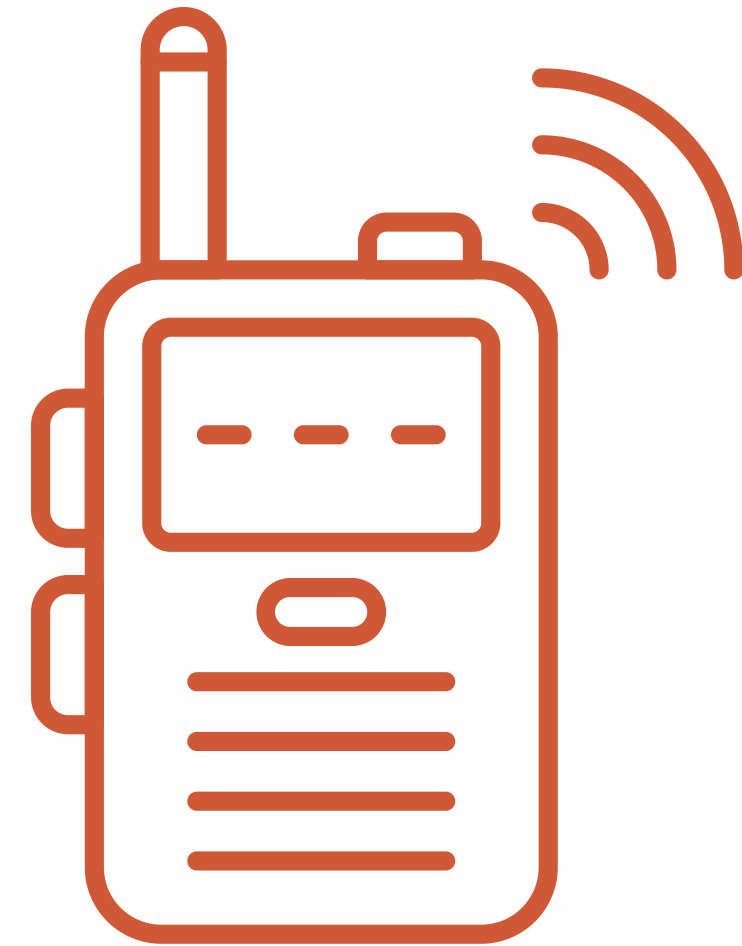

& Tour Information

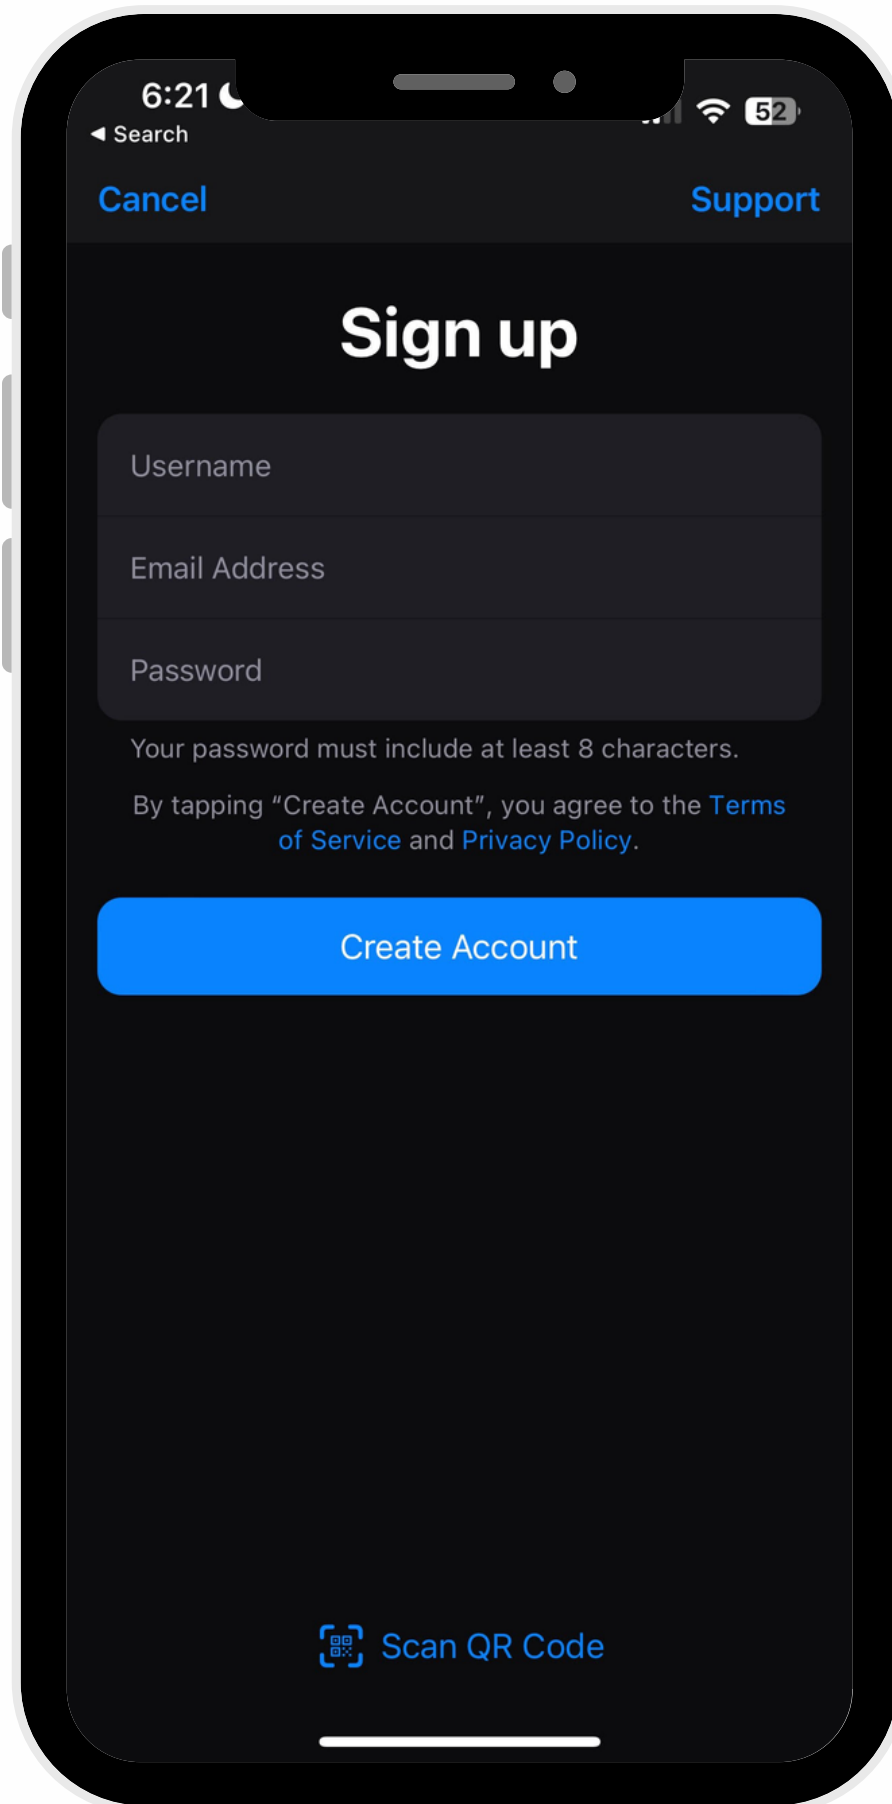

Why Zello?

- In case you need to **get in touch** with your tour guide
- If you have a really **important question**
- If you get lost
- If you want **something repeated**

Setting up Zello

1

Download from App Store or Google Play Store

2

Create an account and verify email

3

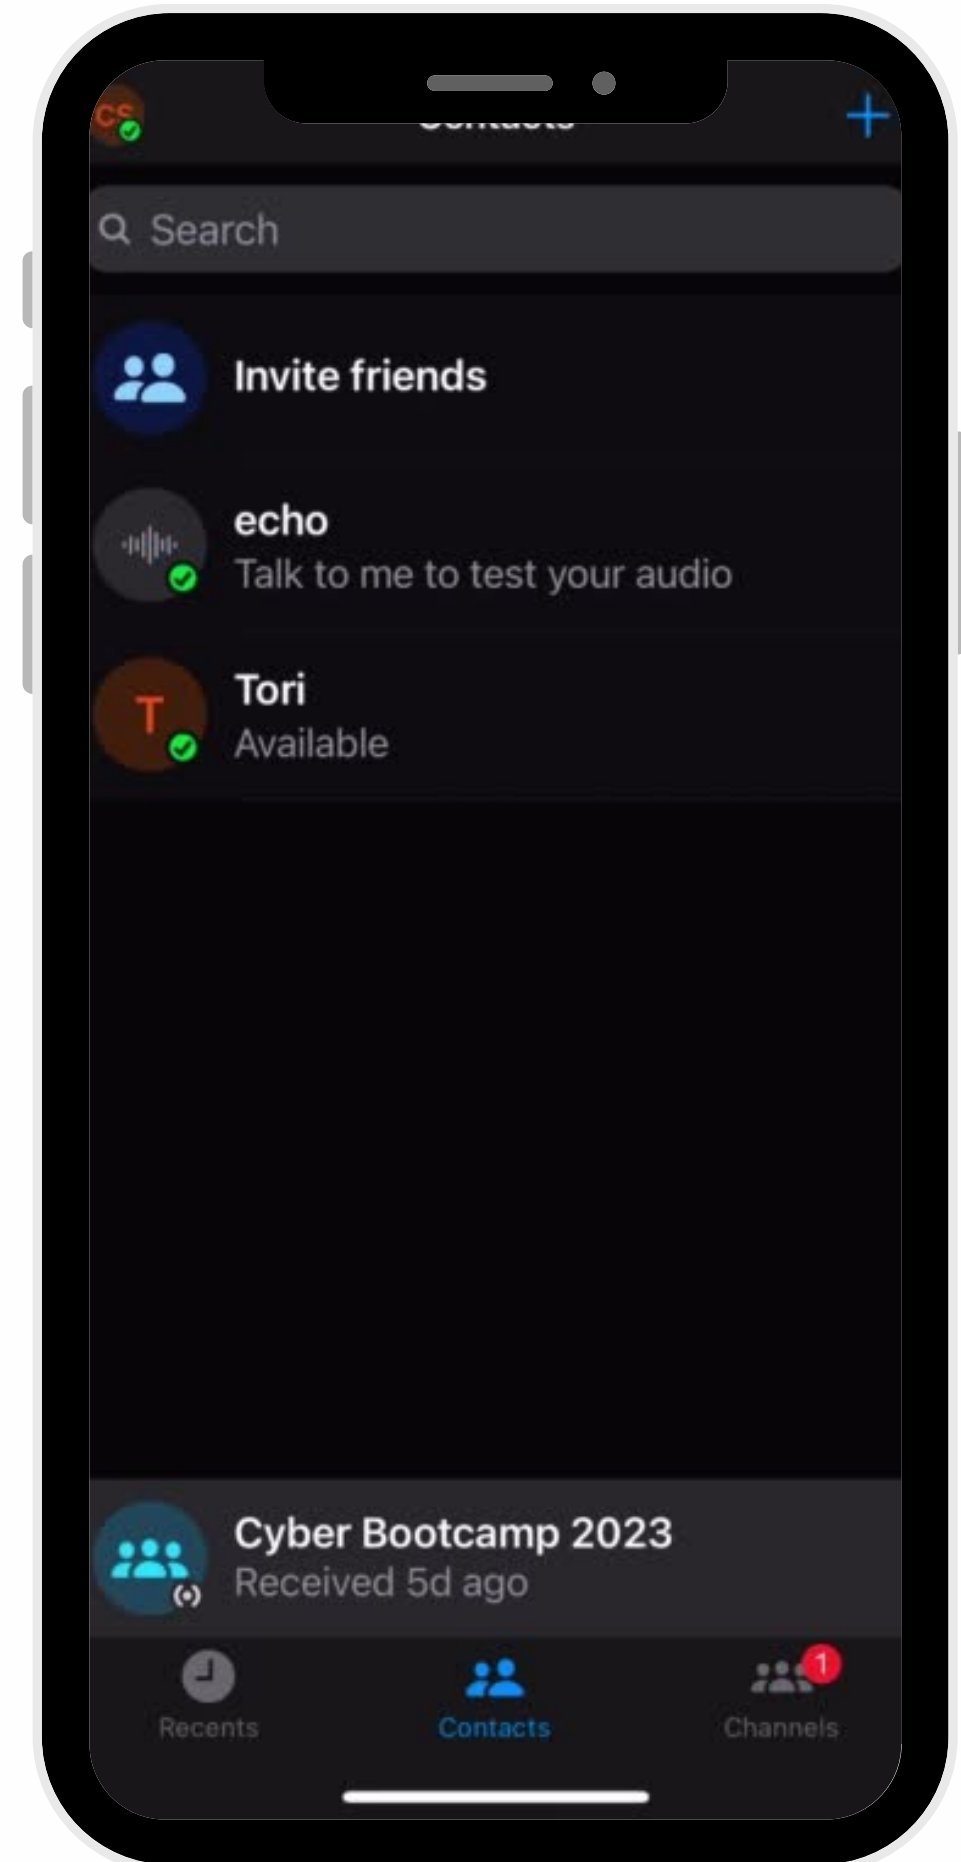

Fill out **survey on WHOVA** (enter username for Zello)

INVITE RECEIVED

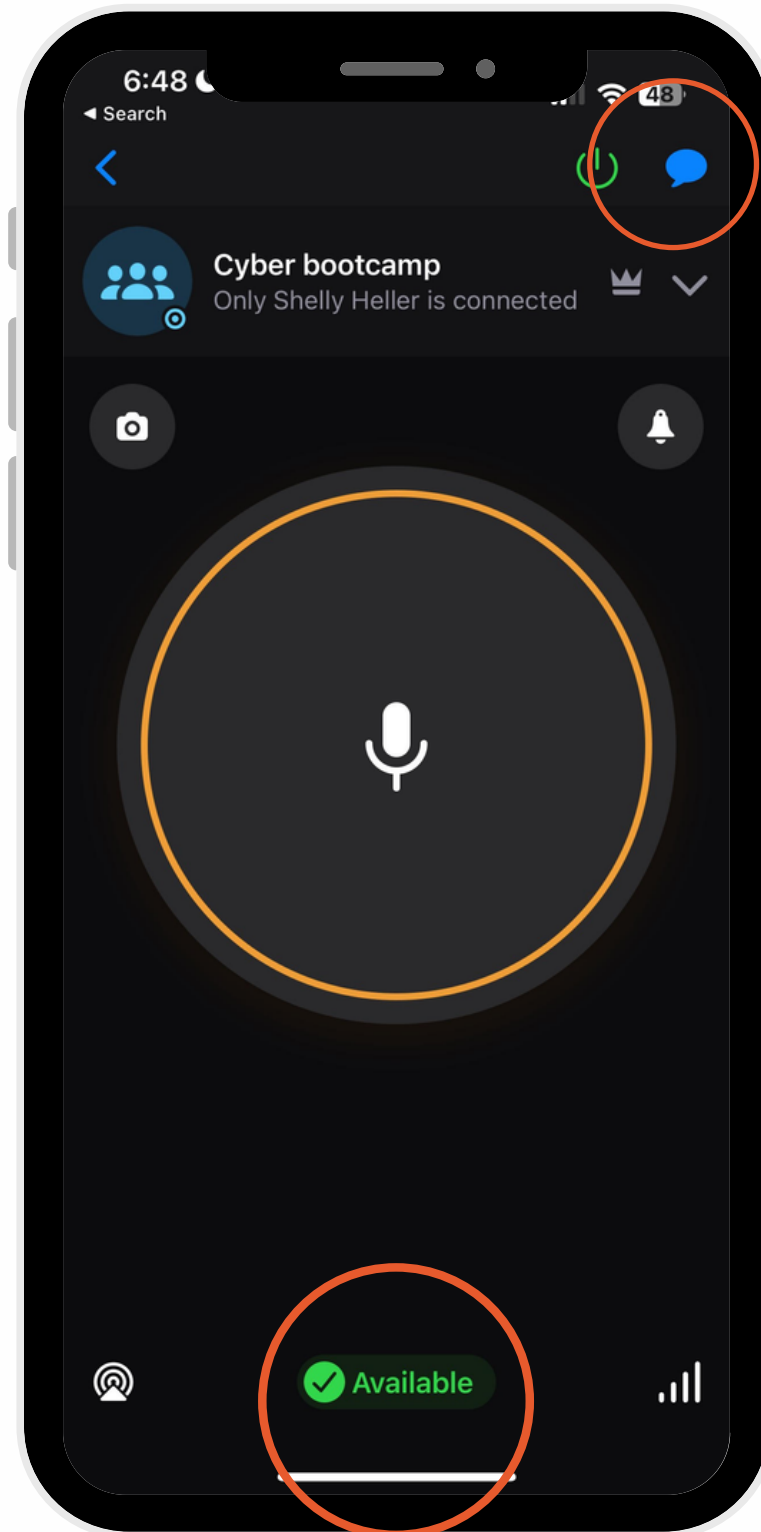

Once we have received your Zello username we will invite you to the **Zello CySP Bootcamp Channel**.

To access the channel you must click into your Zello app and click on the channel name. The password for this channel is **bootcamp**.

How To Send Messages

View your message history via the **chat** button.

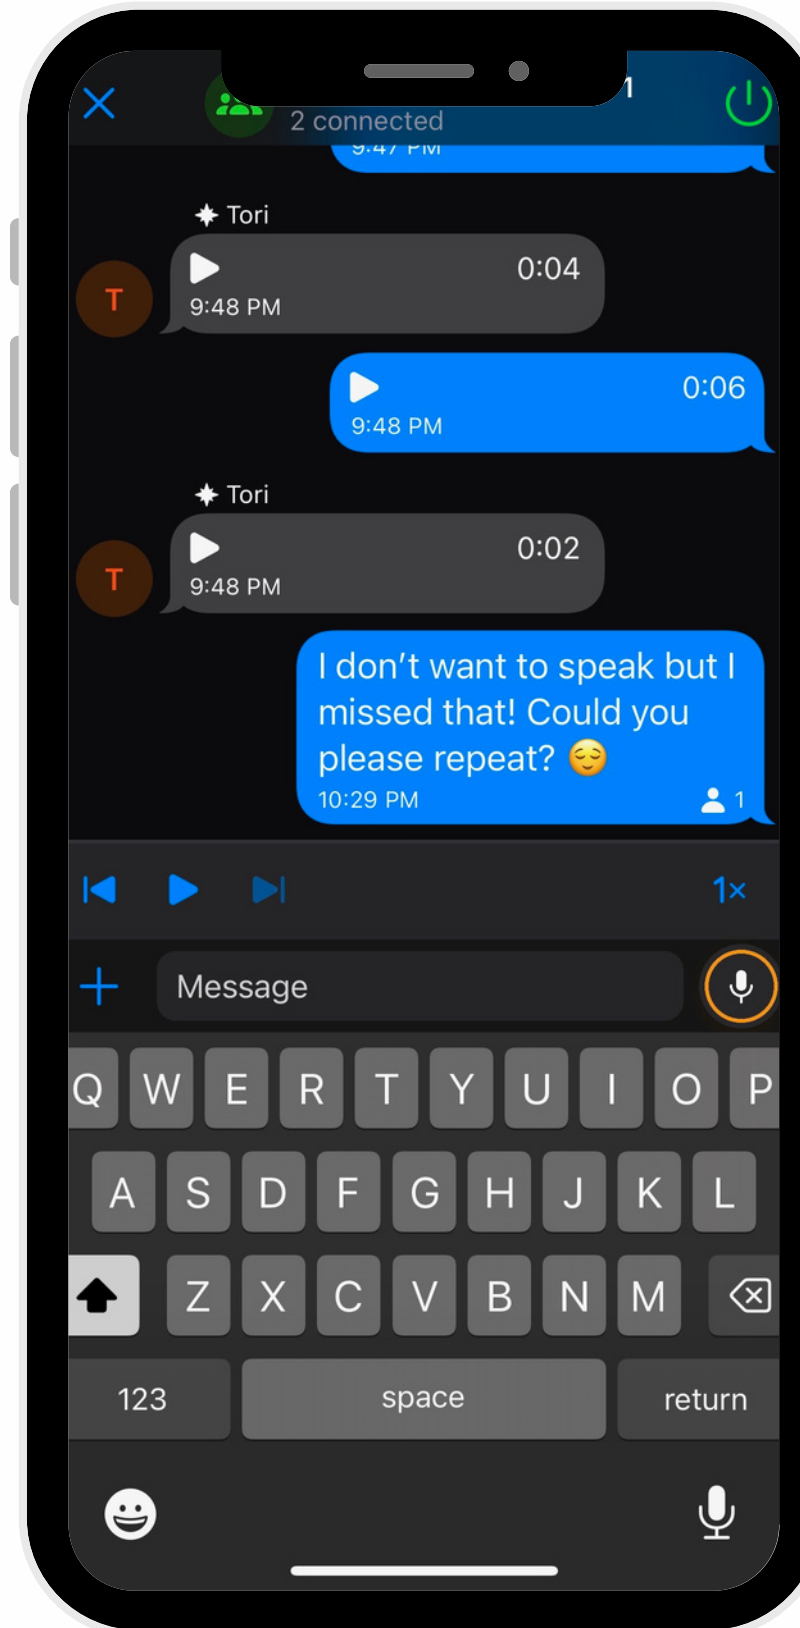

To speak **hold down** on the circle and talk into your phone. Once you release the circle your message will be sent.

Your status

LISTENING

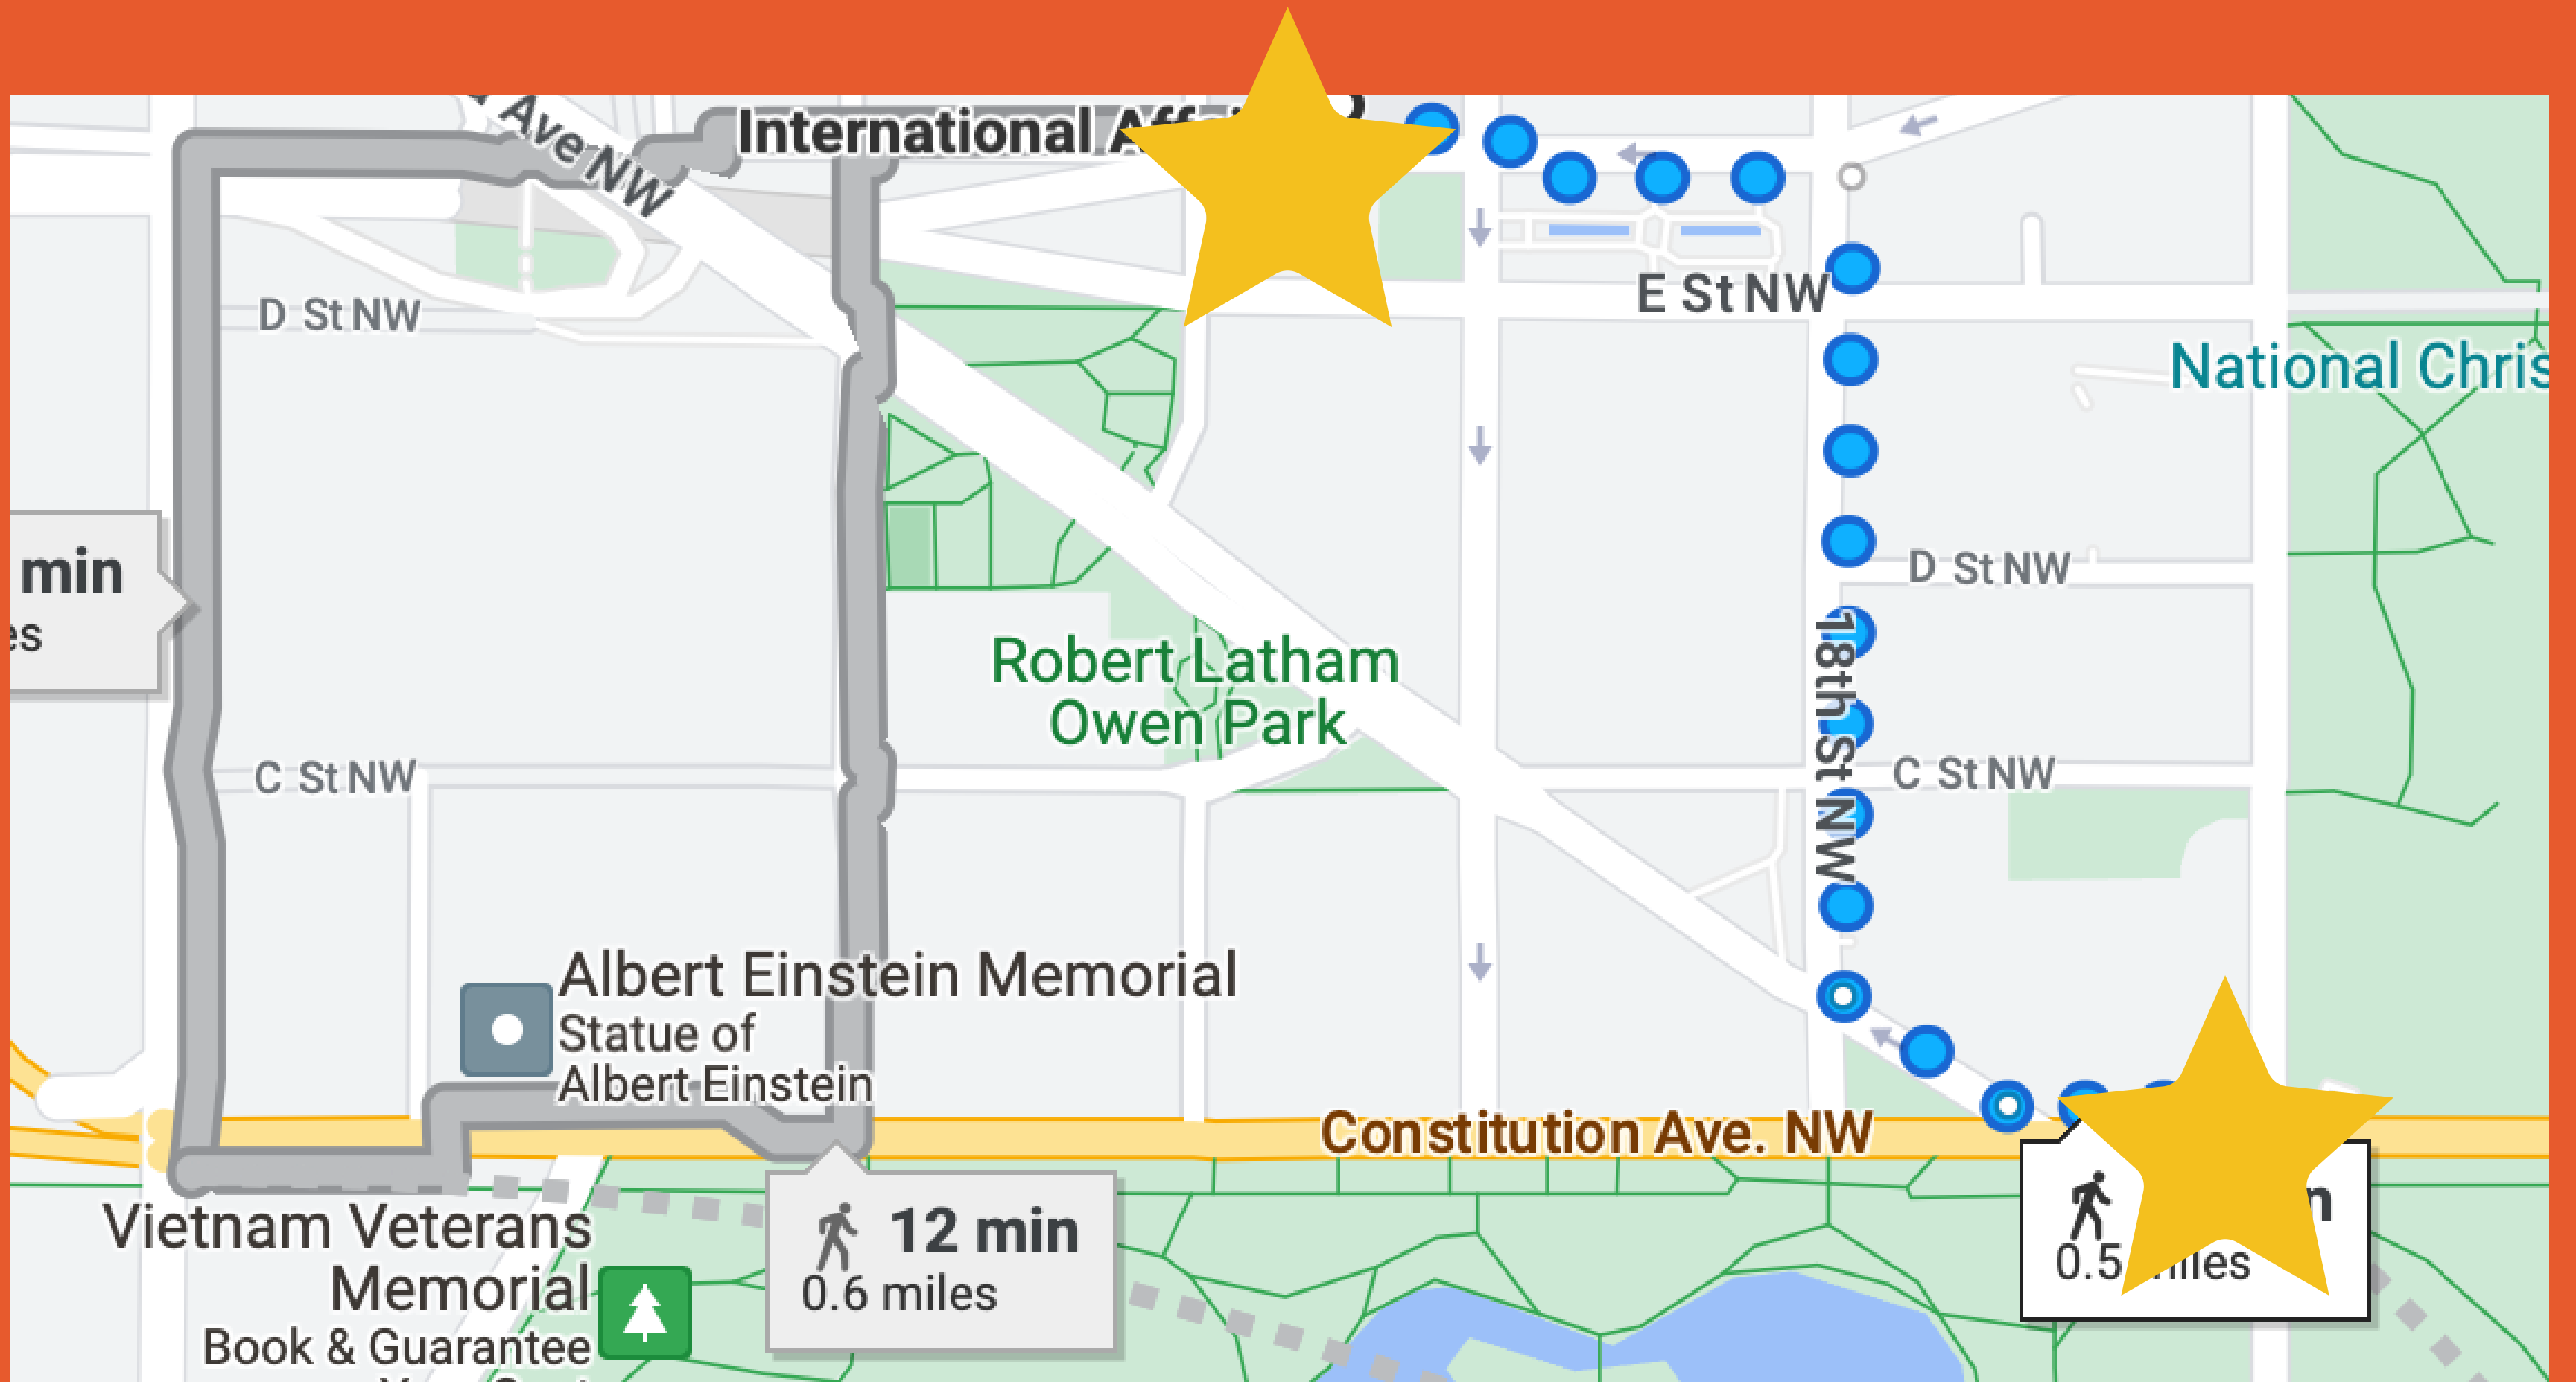

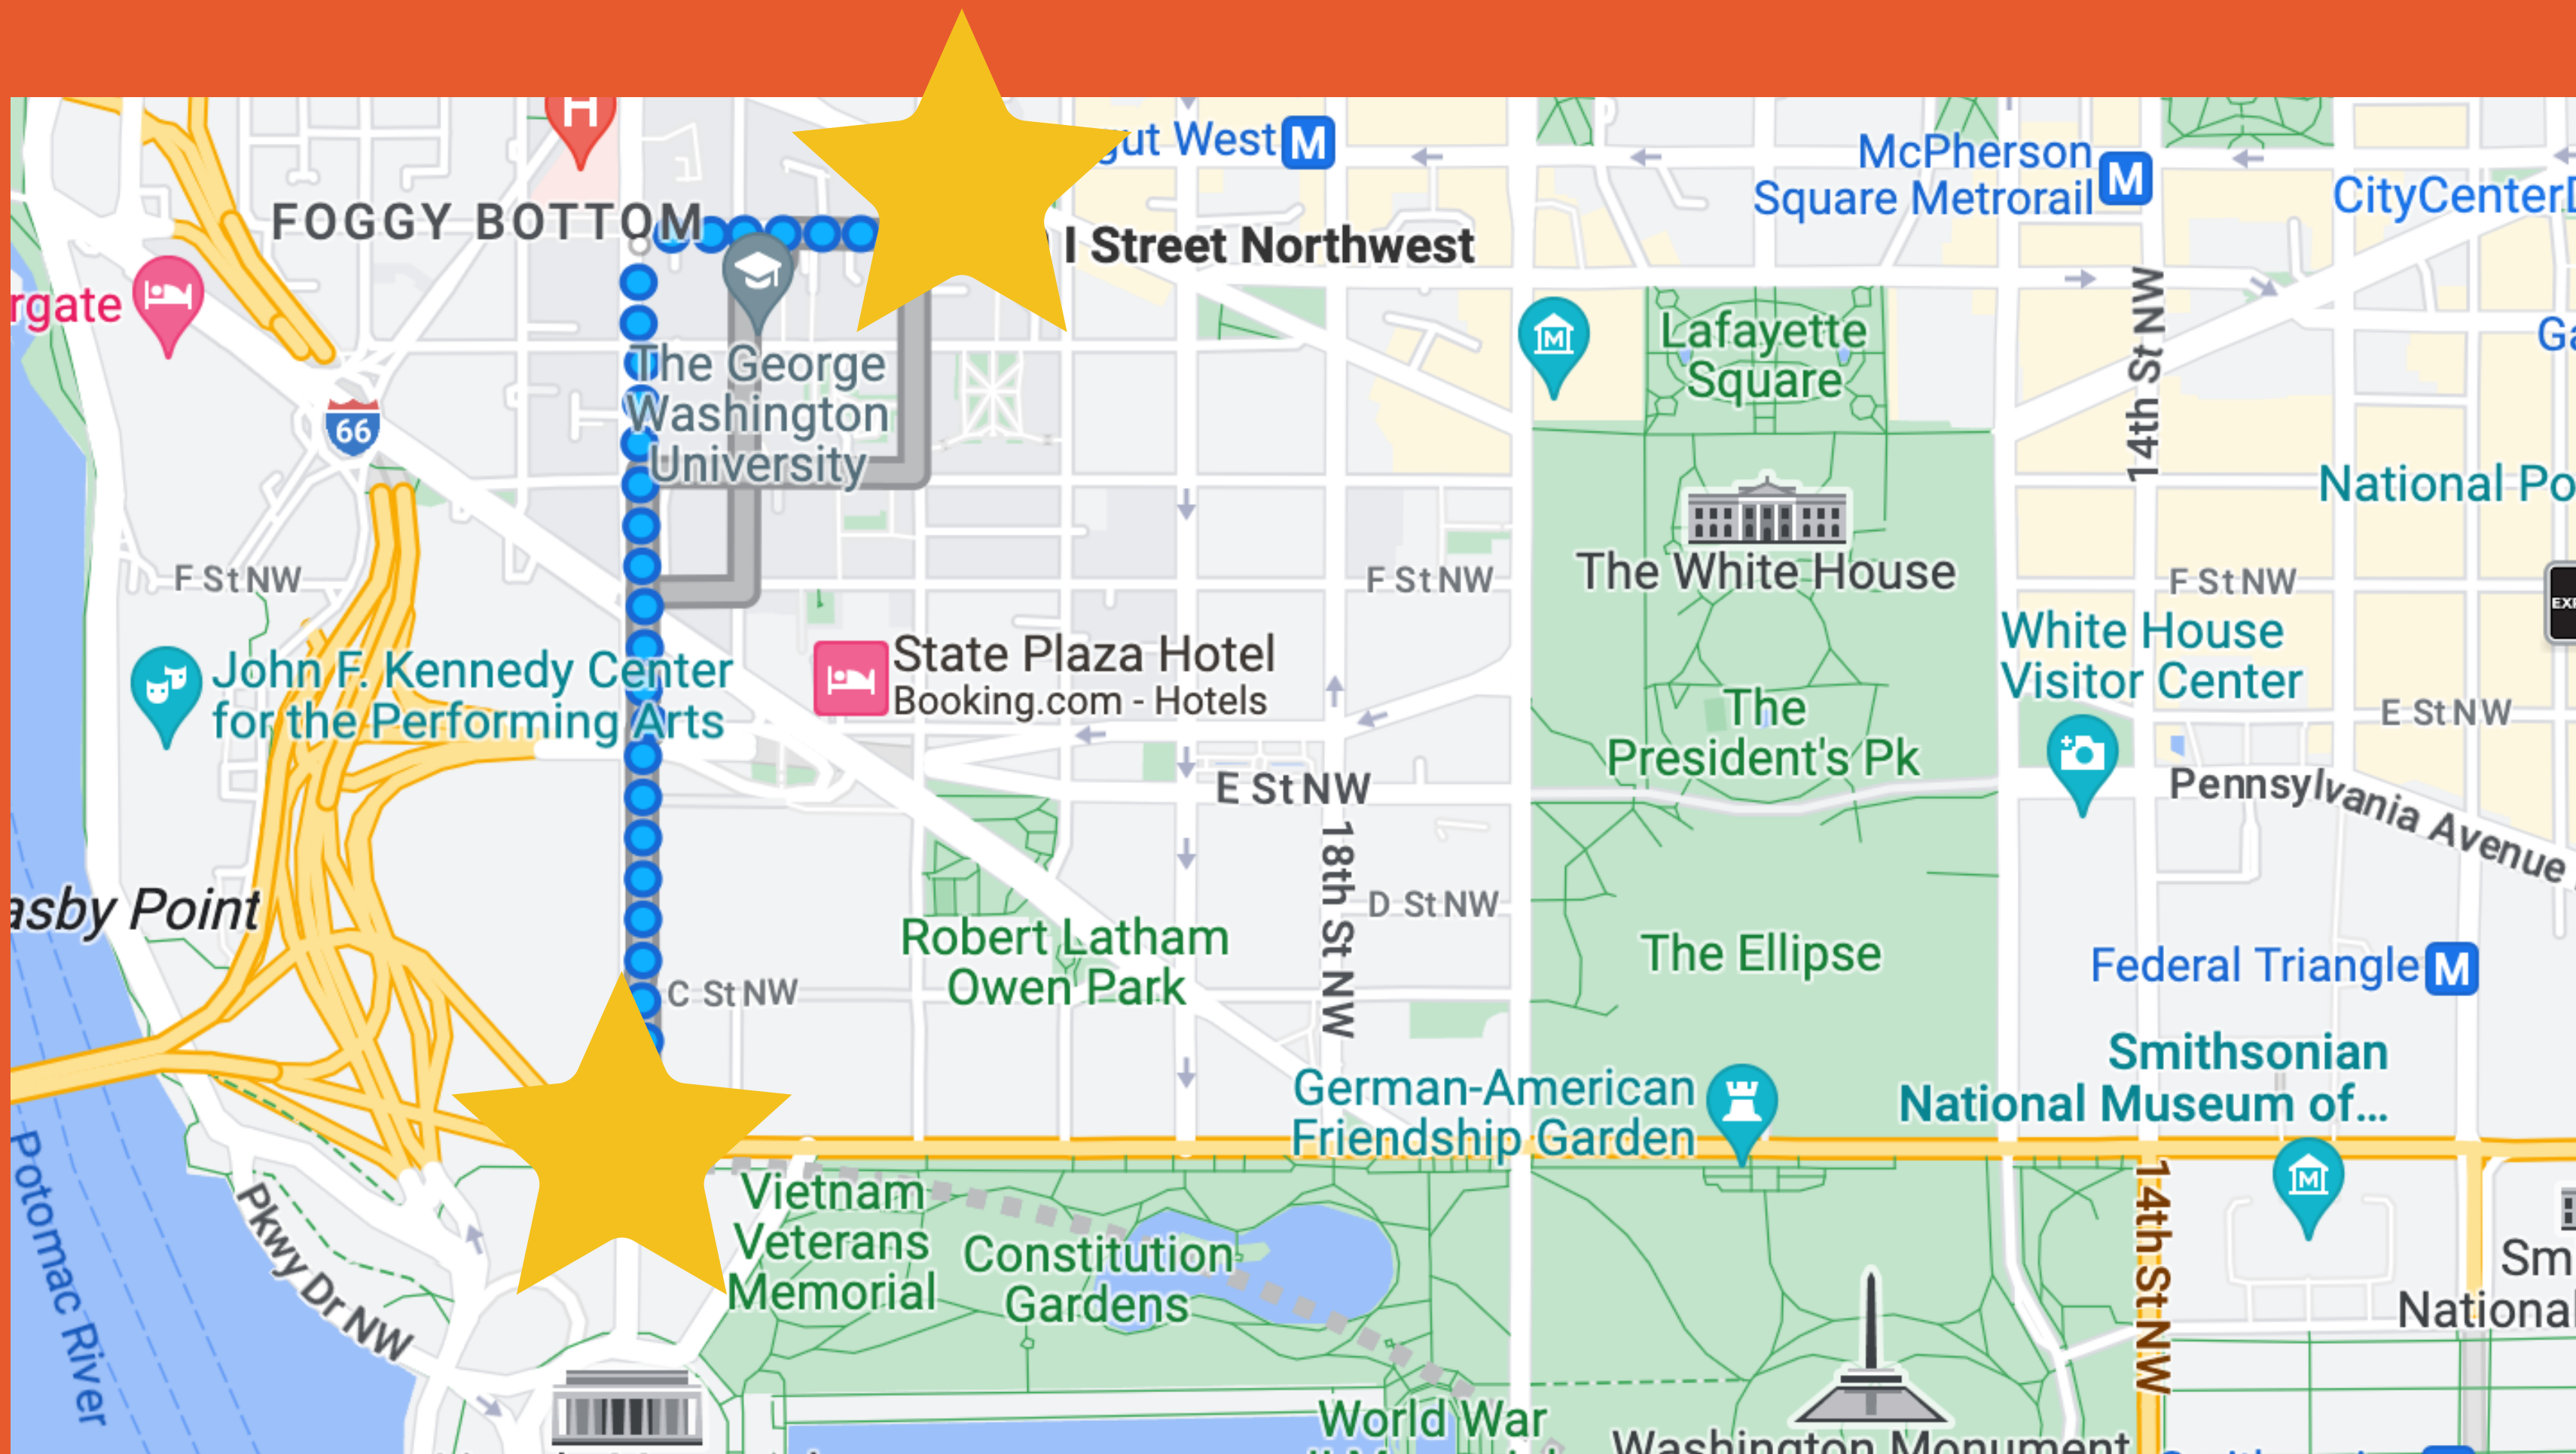

All you need to do to listen is be on the correct channel. If you miss a message navigate to the **chat icon** to hear the history.

There are several features included with Zello, such as sending pictures and texts. If you prefer to communicate via text do so via the **chat option**.

SPECIAL CONSIDERATIONS

Please be mindful of where you are when using Zello. Please do not use in quiet spaces on the tour.
